CALENDAR OF EVENTS

October 1-7, 2022

The Learning Campus at Gulf State Park is pleased to offer an exciting array of fun, entertaining and educational programs for the whole family!

TUESDAY, October 4

1:00 PM - 2:00 PM Fish in the Forest / All Ages / Free –

Coastal Alabama has long been known for its great fishing. We'll take a look at the local efforts to create valuable habitat which has resulted in Alabama having the largest artificial reef program in the United States. And we'll learn about the discovery of the newest (but oldest) natural reef - Alabama's Underwater Forest comprised of 60,000 year old cypress trees located 10 miles off the coast.

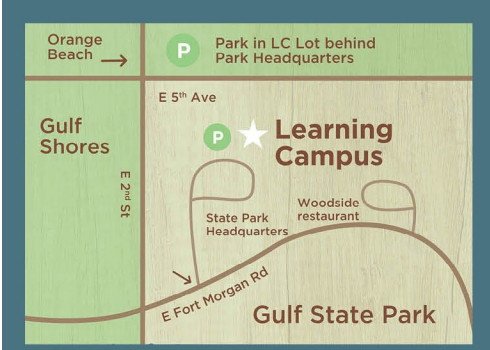

WEDNESDAY, October 5

10:00 AM - 11:00 AM AND 1:00 PM-2:00 PM Monarch Butterfly Art Workshop / All Ages / \$5.00 per person (Reservations Requested & cash only, please) – The monarch butterfly is one of the most recognizable and well-studied butterflies on the planet and the annual fall migration is underway. Join us as we learn about their amazing journey while creating a beautiful watercolor and acrylic masterpiece for you to take home. Space is limited and Reservations are Suggested. \$5.00 per person payable at the door (cash only, please). To register, email info@learningcampusgsp.com or call 251-923-3107.

FRIDAY, October 7

9:00 AM - 10:00 AM Guided Pier Walk / All Ages / \$2.00 per person – Join our Naturalists as they guide you on an exclusive tour of the Pier. Learn all about the history and excitement of this resilient landmark! *FEES - It costs \$3.00 per vehicle to park at the pier for two hours. If you are staying at the Campground, Learning Campus, or Cabin/Cottage, parking is free with your pass. There is a \$2.00 per person sightseeing fee to walk on the pier. If you're an overnight guest at the park, sightseeing is free. Please visit the concession stand to purchase/pick up pier sightseeing wristbands and meet at the picnic tables across from the tackle shop. (Weather dependent)

2:00 PM - 3:00 PM Snake Encounters / All Ages / Free – Visit the *Learning Campus* to learn all about our native snakes. You will learn how to identify the local venomous species and why these creatures are an important part of our environment.
